## PRAISE, PROGRESS AND PRAYER!

We praise God that the native stone retaining wall has been completed and paid for. We praise God that the black granite memorial stone has been ordered and paid for. We praise God that step by step the **Heart of America Memorial Wall for the Unborn is coming ALIVE!**

CFL leadership has met with an electrician, a brick and stone mason, and a landscaper. Each of these business has offered to do the labor free and charge for parts and materials. GLORY TO GOD!

We are receiving applications for bricks that will pave the PATH OF HEALING. Several families have bought a brick to demonstrate to those who will travel the PATH OF HEALING that many have contributed to this place of healing and peace.

Special prayer needs. The cost of putting in a city water meter is going to be \$3,500.00. We will need several benches, at least 6 light posts and a flood light. The possibility of a donation of a gazebo has not been firmed up yet. Please pray for this also.

Please join us at our  
Monthly meetings on the second  
Monday of each month at Community  
Church; 1819 SW 21<sup>st</sup> St at 7:00 p.m.

**HOPE TO SEE YOU THERE!**
