Facilitating The Heart of  
America Memorial Wall for the  
Unborn

**FROM GENERATION  
TO GENERATION  
THE WALL WILL  
BRING HEALING!**

The **HEART OF AMERICA MEMORIAL WALL FOR THE UNBORN** is not just for this generation. It will be a blessing to our children, our grandchildren and their children. When we are all long gone and home with the Master; there will be members of our families who will tell the story of how a little hand full of believers obeyed Him and build a wall of remembrance for the lives of lost babies. They will tell their children as they are gathered around the memorial grounds of how we prayed, cleaned, prayed, gave, prayed, sacrificed,

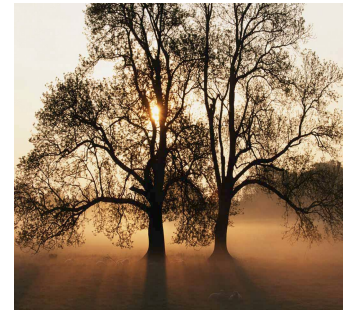

prayed and rejoiced to see it's completion for His glory and honor.

The little hands of our great grandchildren may run their fingers over the names engraved on the wall and ask their parents, "Did America really say it was okay to kill babies in their mother's tummies when you were a little child?" Our grandchildren will say, "Yes, little one it was the law of the land then. Because of what your great grandparents did by building this memorial and by praying for an end to abortion; their sacrifices have given you a land that is now free from abortion on demand."

I know that those of us that will be in heaven when that joyful day comes will hear the songs of praise from our great grandchildren as they lift their voices to heaven in thanksgiving for a nation that does not destroy their tiniest, most vulnerable and defenseless citizens. It will all be worth the cost when we hear their songs from heaven's shore. Glory to God!!

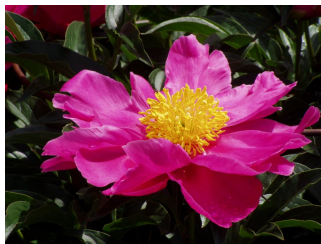

Please join us at our monthly meetings on the second Monday of each month at Community Church; 1819 SW 21<sup>st</sup> St at 7:00 p.m. **HOPE TO SEE YOU THERE!**

**ATTENTION:** Churches, Sunday School classes, Mission Teams, Women's Groups please consider buying a brick with your church, class or group's name on it. The bricks will line the Path of Healing that will lead to the wall. You will be helping women take the journey that will heal and restore their lives. They will see that you cared enough to give so they could

have a new start. The bricks are \$150.00. You can download a copy of the application form from this web site. It will explain exactly how to place your church or group's name on the brick. **THANK YOU!!**

### **WHAT IS NEW AT THE HEART OF AMERICA MEMORIAL WALL FOR THE UNBORN?**

Since our last newsletter we have been receiving names to put on the black granite wall of the aborted, stillborn and miscarried babies. We are hearing from many of these women how important this wall will be to them and their families. We have received approximately 45 names for the wall and have

had several families purchase bricks for the Path of Healing with their family name on it. We have ordered the light posts and the electrician and cement finishers have been contacted to put them in place. The granite apron that will go around the monument has been ordered and paid for.

Our next biggest expense will be \$3,500.00 for a city water meter. Right now all that is stopping us from proceeding with the landscaping, the PATH OF HEALING and a sprinkler system is having the money to get the city water meter put in place. We could sure use your help in meeting this \$3,500.00 need. Thank you for what you can do!

Remember that you can print an application form for a brick and an application to put a child's name on the wall from [heartofamericawall.org](http://heartofamericawall.org). Bricks are \$150.00 . Thank you for your prayers for completion of the memorial!
