CHRISTMAS 2008

As 2009 approaches CFL is looking forward to having the HEART OF AMERICA MEMORIAL WALL FOR THE UNBORN finished and dedicated. We have made remarkable progress this year. The first memorial stone has been set with 47 names of aborted, still born and miscarried babies engraved on it. The water system and electrical system should be in place soon.

The Memorial is already having an impact on the Topeka area and we expect that the Lord will use it tremendously in the future years. The tears and grief of many will be poured out in this Holy place of healing.

Please make a donation to the Memorial as a

Christmas present to Jesus. We are engraving the names of these babies on the wall at Christians for Life's expense. So if you, your church, your family, Bible study group or organization could purchase a brick to line the Path of Healing with your name on it; it would be greatly appreciated. The brick application forms can be down loaded from our website [www.heartofamericawall.org](http://www.heartofamericawall.org). The cost of a brick is \$150.00. This will also help us to care for the grounds in the years to come.

We are anticipating a large influx of names for the memorial when people begin to visit it. The first stone will have 200 names on it. Then we will have to

purchase another stone as the need arises.

THANK YOU for helping us this Christmas by purchasing a brick. Please send application and checks to CHRISTIANS FOR LIFE, P.O. BOX 3856, TOPEKA, KS. 66604

## Merry CHRISTmas!

No the title above is not spelled wrong! It is to emphasize that Christmas is not about toys, gifts and parties. It is about the birth of our Savior and Lord, Jesus Christ

Of falling snow and gleaming tinsel

Of babies riding grandpa's knees.

But mostly...

Christmas is a time for memories

Of church bells playing Christmas hymns,

Calling everyone to worship

A baby born in Bethlehem.

A baby Who became a Savior,

Dying on a lonely hill,  
That all who trust in Him inherit

Peace on earth and God's good will.

## CHRISTMAS IS A TIME FOR MEMORIES

By Fred Hollomon

Christmas is a time for memories

Of family fun and joyful songs,

Of children up before sunrise

Because the night was much too long.

Christmas is a time for

memories

Of tables filled with steaming dishes,

Of loved ones flocking to the door,

And presents answering our wishes.

Christmas is a time for memories

Of laughter mixed with tears of joy,

Of parents who are just as happy

As their children with their toys.

Christmas is a time for memories

Of Santa Clause and Christmas trees
