

**Life News: A Newsletter for
Christians Of Life, Inc.
Winter 2015**

**The Legacy of Christians for
Life, Inc. and the Heart of
America Memorial wall for the
Unborn.**

Over ten years ago Barbara Saldivar incorporated Christians for Life. A dream for a memorial for the babies lost to abortion, miscarriage and still birth was in the hearts of Barbara and Pat Hollomon. These two women have over thirty years of combined ministry to women who have suffered the lost of a pre-born child. They had seen first hand how women and men had suffered quietly for years. There was no cemetery or memorial for their lost children. No where to grieve.

So the Heart of Memorial Wall for the Unborn was conceived in their hearts and minds. Their vision and dedication to this ministry also took root in the hearts of several others in the pro-life community. A team of about 12 people from different churches began meeting, planning, praying and giving to make the memorial a reality.

Today it is a beautiful healing garden with over 100 names on our first memorial stone. We have seen the miracle of restoration take place in lives of many individuals as they stand and gaze at the name of their child etched into the black granite stone.

They are finally able to grieve their child. Their child has dignity now. Their child was important. Their child lives.

One of the things that Christians for Life does is present a Life Certificate to the parents; reassuring them that their child is alive and safe in the arms of Jesus. We have held many memorial services for families. The last two years we have joined hearts and hands across the nation in the Annual Day of Remembrance for Aborted Children. This event is only two years old; but it has been one of the highlights for the Memorial grounds and Christians for Life.

Please celebrate with us over ten years of healing at the Heart of America Memorial Wall for the Unborn.

**Topeka Gives and The Topeka
Community Foundation.**

The Heart of America Memorial is now involved with Topeka Gives. Through the Topeka Community Foundation many ministries can be introduced to the Topeka Community through a once a year event called Topeka gives. Individuals can donate to their favorite charities in Topeka and it will benefit all the ministries. Please plan on joining us in June at Fairlawn Plaza for this great event. Look for future information on our website or

Facebook.

The Pro- Life of Evelyn Ibrahim

Seated in the center of this photo is Evelyn Ibrahim. Evelyn and her husband were the benefactors of the memorial grounds. She had been one of our founding members of Christians for Life. Her love for the unborn and for Jesus was only matched by her bridge building between her Catholic faith and the protestants.

Our dear Evelyn was called home late in 2014. Her smile and sweet spirit are missed so much at Christians for Life board meetings. But heaven is a richer place today because she is home with her Lord and her dear husband. Praise God we will see her again.

Exciting News: Gift Certificates now available.

Do you know someone who has lost a child to abortion, miscarriage or still birth? Some one who would benefit from having their child's name on the memorial? Recently we have had three different people want to donate funds to have a child's name engraved on the memorial as a gift for a relative or a friend.

Those of us who have names of children or grandchildren on the memorial know what a blessing it has been to have a place to acknowledge their worth as a creation of God.

You can donate from \$5.00 - \$150.00 to Christians for Life. The cost to Christians for Life is costly; but we do not want anyone not have the name on the memorial for lack of money. Help us by giving a gift certificate in honor of a relative or friend or just to support the ministry of healing. Contact us at info@heartofamericawall.org or 785-267-5777 for more information.
